

SUPPORTING IDPs BY ETTC

After brutal attacks of ISIS groups on Iraq and Kurdistan disputed territories and declaring war against KRG and Peshmerga (Kurdish military forces). A huge number of IDPs have been forced to leave their home towns, farms, industries, animals, houses and properties. And tens of thousands have flee to the safe places in Kurdistan, without any predicted future, any plans, or any back-up.

IDPs Camp in Bahrka - Erbil

ETTC as an international NGO works in the fields of migration and return, yesterday 13th August 2014 started its support campaign for IDPs in Erbil with providing meals for 1000 IDPs and 550 packages for children as the first support instalment, and further supports will be provided as soon as possible.
